Re: Calorie Rating of Flame Retardant Clothing

To All:

Please be advised that all of the clothing supplied by USA Union Pro has a minimum calorie rating of 10. While we are aware that the National Grid policy mandates an 8 calorie minimum, the I.B.E.W. Local 104 O.S.H.E has chosen to use a 10 calorie minimum for additional protection of the members. Please refer to www.usaunionpro.com or call 877-558-6466 ext. 701, should you have any question about the calorie rating of a specific garment, or should you wish to purchase your own clothing through their catalog.

Sincerely

Paul A.G. Loughran, Safety Director
I.B.E.W. Local 104 O.S.H.E.
