If you chose to get insurance as a M.B.T.A. employee, the only way to do so is through the
GIC. July 1,2010 the Authority will no longer provide any insurance that you currently have
You must enroll in the GIC by, May 10,2010.

Going into the GIC WILL NOT compromise any argument Local 104 may have with the
Authority about no longer providing the current insurance until a successor agreement is
signed.

For insurance information fairs, with insurance companies there, please see attached
sheet for locations, or go to; www.mass.gov/gic;

Scroll half way down and click ; State Insurance Benefits

Then click; Health Plans

Then click, Active state employees and review your insurance options.

The GIC does not provide dental or vision options unless you are an executive.

There is insurance for dental through AFLAC and as an IBEW member you qualify for a
discounted plan along with opportunities to purchase supplemental insurance to help with
injuries caused through accidents. Delta Dental also has options for insurance. This is not a
sales pitch just an option.

The M.B.T.A. Benefits Department will have enrollment opportunities at several location
through the system, Please see the second flyer for those locations.

Fraternally,

Hugh Boyd
